

OUTLINE

Wound Bed Tissue Types: Presentation & Treatment

- Epithelial Tissue
- Granulation Tissue
 - Healthy Granulation
 - Hypergranulation
- Necrotic - When and how to debride
 - Slough - Moist, devitalized tissue
 - Eschar - Dry devitalized tissue

Wound Margin Issues and Strategies

- Epiboly - Rolled edges
- Hyperkeratotic - Dry, calloused edges
- Undermined - Trauma or drying of wound bed
- Peri-wound signs of possible infection
 - Erythema (redness) and heat
 - Induration (hardened tissue)
 - Fluctuance (mushy tissue)

Characteristics of Common Wounds

- Phases of healing: Normal vs. chronic
- Etiology, location, characteristics
 - Arterial insufficiency
 - Venous insufficiency
 - Diabetic/Neuropathic
 - Pressure ulcers - Demystifying the stages

HANDS-ON CLINICAL LAB

- Using the latest in wound care model technology, participate in skill-based exercises in:
- Wound staging
 - Tissue type identification
 - Proper measuring techniques
 - Tunneling/Undermining
 - Wound care product awareness and application

Strategies to Select Dressings for:

- Dry/Minimally draining wounds
 - Hydrogel
 - Oil emulsion dressing
 - Moistened gelling fiber
 - Hydrocolloid
 - Moderate draining wounds
 - Alginate or gelling fiber
 - Glycerin based hydrogel
 - Traditional foam
 - Heavy/copious drainage
 - Negative pressure wound therapy
 - Moisture responsive dressings
 - Super absorbent dressings
- ### Strategies for Decreasing Bioburden
- Best cleansing
 - Use of surfactants
 - A new look at antiseptic cleansers
 - Breaking biofilm
 - Antiseptic dressings
 - Silver
 - Iodine complex
 - Hyperosmolar (sugar, salt, honey)
 - Methylene blue, gentian violet
 - Dressings that trap exudate trap germs also
 - Dressings that attract bacteria ionically

Tissue Based Products

- Autograft
- Allograft
 - Cryopreserved
 - Grown in vivo
 - Acellular
- Xenograft
 - Bovine
 - Porcine
 - Equine
 - Marine

THE ULTIMATE HANDS-ON WOUND CARE CLINICAL LAB

In healthcare facilities across the country, billions of dollars are being spent annually on skin care and wound management. You are on the front lines of providing care to patients with a variety of skin and wound conditions, and play a critical role in patient outcomes and your facility's bottom line. **There is no better way to learn new problem solving skills than through this Hands-On Clinical Lab.** Attend this highly interactive seminar and learn wound care assessment skills by DOING!

Wound care educator and consultant, Joan Junkin, MSN, CNS, will teach you new strategies for wound assessment and interventions, using wound care teaching models and sample products. The Hands-On Clinical Lab will add a live, hands-on component to learning that will enhance your retention of skills and techniques covered. Practice identification, measurement and the applications of various products on realistic wound care models. These models provide a life-like simulation to allow for improved assessment and treatment of a wide variety of wound care presentations, including all stages of pressure ulcers, tissue types, undermining, tunneling, fissure and surgical dehiscence. Take your understanding of wound care to the next level with this hands-on, interactive clinical lab. Register today – space is limited!

SPEAKER
Joan Junkin, MSN, CNS, brings 25 years as a wound clinician and educator, including 10 years building the outpatient and inpatient wound program in a 500-bed hospital. As owner of The Healing Touch, Inc., Joan now provides wound care consulting services to healthcare organizations and shares her expertise as a requested presenter both nationally and internationally. Joan's seminars are a combination of practical knowledge gleaned from her extensive experience and are always backed up by the latest research and guidelines.

Joan has been President of the Nebraska Wound, Ostomy Continence Nurses (WOCN®) Society and chaired the WOCN® national committee to accredit WOCN® education programs. She is on the speakers bureau for the Advanced Wound Care Society. Articles she has authored have been published in several peer reviewed journals. She has been invited faculty for regional and national WOCN® conferences and SAWC wound conferences.

Disclosures:
Financial: Joan Junkin is the owner of The Healing Touch, Inc. She is on the speaker's bureau and has been a consultant for Sage Products Inc; which is now a part of Stryker. Ms. Junkin receives a speaking honorarium from PESI, Inc.
Non-financial: Joan Junkin has no relevant non-financial relationship to disclose.

LIVE WEBCAST DETAILS

Join us on December 4, 2017, for this live, interactive webcast!

Invite your entire organization and, like a live seminar, "attend" the webcast at its scheduled time. It's easy and convenient! Webcasts provide everything you need for a premier educational experience including real-time video and audio of the speaker. See and hear the speaker and watch the slides all on your computer screen. Seminar materials are available for download. One CE Certificate is included. Only \$19.99 per CE Certificate for each additional participant.

OBJECTIVES

1. Distinguish between the various tissue types found in chronic wounds.

2. Identify the actual cause of the wound to be able to implement the best healing/prevention strategies for the patient.

3. Compare the most appropriate terms used to document peri-wound status.
4. Demonstrate accurate measurement and documentation of wounds.

5. Choose the best dressing type based on the specific wound presentation.

6. Plan for wound healing as you practice new hands-on skills.

Quick Reference to Wound Care: Palliative, Home, and Clinical Practices, Fourth Edition

By Pamela Brown, BSN, MEd, CWCN, COCN

This reference book provides healthcare professionals with the essentials necessary to deliver the best wound care in a cost-effective manner. Updated to reflect current wound care treatments and products, it includes wound assessment, the healing process, the basics of wound management, topical treatments, and management of the major wound types.

Wound Care Pocket Guide: Clinical Reference, Second Edition

By Kim Saunders, MSN/ED, RN, CWON®, CFCN

Now in its second edition, the *Wound Care Pocket Guide: Clinical Reference* is the most up-to-date resource to provide optimal wound care treatment. Color photos and graphs detailed with guide points for assessing and trouble shooting. Waterproof pages, color-coded chapters and a sturdy metal ring provides quick access in any environment.

Seminar on DVD or CD Package

You can purchase a self-study package on the subject. You will receive a set of CDs or DVDs that include a digital copy of the seminar manual and post-test/evaluation. You and your colleagues can receive CE hours for a nominal fee. To determine if homestudy credits are available for your profession go to www.pesihealthcare.com or call 800-844-8260. Check with your licensing board to verify acceptance of self-study credits for license renewal. Order today by using the order form on this brochure or by calling 800-844-8260.

CANCELLATION POLICY: If you contact us before the event date, you can exchange for a DVD or CD/digital manual package on the subject (self-study continuing education credit may be available), a certificate to attend another seminar, or receive a tuition refund less a \$30 cancel fee. Substitutions are permitted at any time.

Live Seminar & Webcast Continuing Education Credit Information

Credits listed below are for full attendance at the live event only. Certificates of Completion are distributed at the conclusion of the live seminar for those who register prior to the event date and attend the full day. A letter of attendance will be issued to participants who register at the event, arrive late, or leave early. For those who registered day of (walk-ins), and are in full attendance, a certificate of completion for full CE credit will be sent within 30 days following the event. For those in partial attendance (arrived late or left early), an adjusted certificate of completion reflecting partial credit will be issued within 30 days (if your board allows). Please see "live seminar schedule" for full attendance start and end times. NOTE: Boards do not allow credit for breaks or lunch.

If your profession is not listed, please contact your licensing board to determine your continuing education requirements and check for reciprocal approval. For other credit inquiries not specified below, or questions on home study credit availability, please contact cepesi@pesi.com or 800-844-8260 before the event.

Materials that are included in this course may include interventions and modalities that are beyond the authorized practice of mental health professionals. As a licensed professional, you are responsible for reviewing the scope of practice, including activities that are defined in law as beyond the boundaries of practice in accordance with and in compliance with your professions standards.

PESI, Inc. offers continuing education programs and products under the brand names PESI, PESI Healthcare, PESI Rehab and Psychotherapy Networker.

NURSES/NURSE PRACTITIONER/CLINICAL NURSE SPECIALISTS: PESI, Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Nurses in full attendance will earn 6.3 contact hours. **PARTIAL CONTACT HOURS WILL BE AWARDED FOR PARTIAL ATTENDANCE.**

NURSING HOME ADMINISTRATORS: This program has been submitted (but not yet approved) for 6.25 continuing education clock hours and 6.25 participant hours from NAB/NCERS. Call our customer service department at 1-800-843-7763 for further information.

OCCUPATIONAL THERAPISTS & OCCUPATIONAL THERAPY ASSISTANTS: PESI, Inc. is an AOTA Approved Provider of continuing education. Provider #: 3322. Full attendance at this course qualifies for 6.0 contact hours or .6 CEUs in the Category of Domain of OT. Partial credit will be issued for partial attendance. The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA. Course Level: Intermediate.

PHYSICAL THERAPISTS & PHYSICAL THERAPIST ASSISTANTS: This activity consists of 6.25 clock hours of instruction that is applicable for physical therapists. CE requirements for physical therapists vary per state/jurisdiction. Please retain the certificate of completion that you receive and use as proof of completion when required.

MARYLAND PHYSICAL THERAPISTS AND PHYSICAL THERAPIST ASSISTANTS: This course has been submitted to the Maryland Board of Physical Therapy Examiners for review.

PHYSICIAN ASSISTANTS: This program has been reviewed and is approved for a maximum of 6.25 hours of clinical Category I CME credit by the American Academy of Physician Assistant Review Panel. Physician assistants should claim only those hours actually spent participating in the CME activity. This program was planned in accordance with AAPA's CME Standards for Live Programs and for Commercial Support of Live Programs.

OTHER PROFESSIONS: This activity qualifies for 380 minutes of instructional content as required by many national, state and local licensing boards and professional organizations. Save your course outline and certificate of completion, and contact your own board or organization for specific requirements.
