A NON-PROFIT ORGANIZATION CONNECTING KNOWLEDGE WITH NEED SINCE 1979

Become a Certified Myofascial Cupping Practitioner in this hands-on course powered by RockTape, and boost your credentials as you learn everything you need to know to offer cupping services the next day.

Myofascial Cupping Practitioner Certification teaches the fundamentals of modern cupping techniques through a full day of interactive labs. Learn how to combine cupping and functional movement to produce the kinds of active treatment strategies that are revolutionizing rehab. Discover effective cupping treatments you can use for pain, sprains/strains, swelling, tendinopathies, and more.

Speaker

STACEY THOMAS, LMT, SFMA, FMS, ART, NKT, CF-L2, has been dedicated to human movement and athletic performance for 20 years. A sports massage therapist who is credentialed by the most respected educational organizations regarding human movement, performance training, and soft tissue treatment, Ms. Thomas is continuously expanding her knowledge of the human form in motion. You can find her in one of her three Front Range clinics treating athletes, coaching a mobility class, or teaching national seminars on kinesiology taping and IASTM. She has been a featured author in massage publications regarding the use of kinesiology tape in treatment as well as a guest speaker at various conferences pertaining to movement as it relates to sport and functional strength.

A former competitive adventure and mountain bike racer, runner, and CrossFit™ athlete, she's fully aware of the dedication needed to achieve and exceed one's goals. Professionally, she's managed large fitness facilities as the lead trainer, taught educational programs for trainers obtaining their certifications, as well as offered many health and wellness insights to groups through public speaking, writing for publications, and sporting events. She is a proud member of the Alpine Rescue Team, a volunteer EMT, mom to four awesome rescue dogs, and a very happy plant-based athlete.

Speaker Disclosure:
Financial: Stacey Thomas is owner of Altitude Aptitude. She receives a speaking honorarium from Rocktape. Ms. Thomas receives a speaking honorarium from PESI, Inc.
Non-financial: Stacey Thomas has no relevant non-financial relationship to disclose.

Objectives

- ◆ Review the principles of myofascial cupping and supporting evidence.
- ◆ Describe the physiological and neurological effects of cupping.
- ◆ Demonstrate how to apply cupping for best results.
- ◆ Compare and contrast common cupping techniques and review indications/contraindications for each.
- ◆ Demonstrate how cupping techniques can be combined with corrective exercise to improve pain, sprains/strains, swelling, tendinopathies, and more.
- ◆ Develop cupping applications based on your assessment/treatment approach and the individual needs of your patient.

Myofascial Cupping Starter Kit

Kit Includes one of each:
RockPods Cupping Set
RockSauce® Fire
RockSauce® Ice

Forget complicated pumps and hoses - RockPods are designed to easily unlock entirely new ways to unstick and manipulate fascia to reduce pain, improve range of motion and increase athletic performance. Increase effectiveness and provide immediate relief with RockSauce® Fire and RockSauce® Ice - powerful muscle & joint pain relief topical.

MSRP ~~\$99.98~~ **\$69.99** sale price **Save 30%!**

Hassle-Free Cancellation Policy: If you contact us before the event date, you can exchange for a DVD on the subject (self-study continuing education credit may be available), a certificate to attend another seminar, or receive a tuition refund less a \$30 cancel fee. Substitutions are permitted at any time.

Seminar on DVD Package: You can purchase a self-study package on the subject. You will receive a set of DVDs that include a digital copy of the seminar manual and post-test/evaluation. You and your colleagues can receive CE hours for a nominal fee. To determine if homestudy credits are available for your profession go to www.pesirehab.com or call 800-844-8260. Check with your licensing board to verify acceptance of self-study credits for license renewal. Order today by using the order form on this brochure or by calling 800-844-8260.

PESI, Inc. is proud to offer this seminar (at these locations only) free of charge (on live seminar tuition) for veterans and active duty military personnel. **Limited seats available; advance online registration required.**

Live Seminar Continuing Education Credit Information

Credits listed below are for full attendance at the live event only. After attendance has been verified, pre-registered attendees will receive an email from PESI Customer Service with the subject line, "Evaluation and Certificate" within one week. This email will contain a link to complete the seminar evaluation and allow attendees to print, email or download a certificate of completion if in full attendance. For those in partial attendance (arrived late or left early), a letter of attendance is available through that link and an adjusted certificate of completion reflecting partial credit will be issued within 30 days (if your board allows). Please see "LIVE SEMINAR SCHEDULE" on this brochure for full attendance start and end times. NOTE: Boards do not allow credit for breaks or lunch.

If your profession is not listed, please contact your licensing board to determine your continuing education requirements and check for reciprocal approval. For other credit inquiries not specified below, or questions on home study credit availability, please contact cepesi@pesi.com or 800-844-8260 before the event.

Materials that are included in this course may include interventions and modalities that are beyond the authorized practice of mental health professionals. As a licensed professional, you are responsible for reviewing the scope of practice, including activities that are defined in law as beyond the boundaries of practice in accordance with and in compliance with your profession's standards.
