

OUTLINE

Wound Bed Tissue Types: Presentation

- Epithelial tissue
- Granulation tissue
 - Healthy granulation
 - Hypergranulation
- Necrotic tissue – when to remove, when to leave alone
 - Slough
 - Eschar
 - Dry gangrene – Necrosis – Tissue demise
- Phases of wound healing
- Debridement measures
 - Autolytic
 - Enzymatic
 - Mechanical
 - Sharp debridement
 - “Biologic”...yes maggots

Wound Margin Issues and Strategies

- Healing edges/epithelizing
- Chronic wound edges
- Rolled edges – epiboly
- Hyperkeratotic
- Peri-Wound Issues
 - Maceration
 - Desiccation
 - Erythema
 - Induration
 - Fluctuance

Characteristics of Common Wounds

- Etiology, appearance, location, exudates
- Arterial insufficiency
- Venous insufficiency
- Diabetic/neuropathic
- Pressure ulcers – demystifying staging
- Skin tears

Hands-On Clinical Lab

- Using the latest in wound care model technology, participate in skill-based exercises in:
 - Wound staging
 - Tissue type identification
 - Proper measuring techniques
 - Tunneling/undermining
 - Wound care product awareness and application

HANDS-ON LAB

Wound Care Products

- Characteristics of each dressing category
- Exudate determines the dressing and frequency of change!
 - Hydrogel, hydrocolloid, collagen
 - Calcium alginate, hydrofibers
 - Foams, gauze/composite dressings

Strategies to Select Primary Dressings:

- Wound cleansing
- Dry/minimally draining wounds
 - Hydrogel
 - Oil emulsions
 - Hydrocolloids, non-adherent foams
 - Less frequent dressing changes
- Moderate/Heavy/Copious exudate
 - Alginates/hydrofibers
 - Co-polymers
 - More frequent dressing changes
- Critically colonized/Infected wounds
- Antimicrobial dressings
 - Silver dressings
 - Honey
 - Dakin's solution
 - Hydrofera Blue
 - Hypochlorous acid
 - Cadexomer iodine/PHMB
- Proper application and cost considerations

Target Audience: Nurses • Nurse Practitioners
Nurse Educators • Physician Assistants
Physical Therapists • Physical Therapist Assistants
Nursing Home Administrators • Occupational Therapists
Occupational Therapy Assistants

THE ULTIMATE HANDS-ON WOUND CARE CLINICAL LAB

In healthcare facilities across the country, billions of dollars are being spent annually on the treatment of skin care and wound management. You are on the front lines of providing care to patients with a variety of skin and wound conditions, and play a critical role in patient outcomes and your facility's reimbursement for services. **There is no better way to learn all of the skills you need to provide state-of-the-art care for your patients than through Hands-On Clinical Labs.** Attend this highly interactive seminar and learn wound care assessment skills by DOING!

Through the use of wound care teaching models, wound care expert, Heidi H. Cross, MSN, RN, FNP-BC, CWON, will teach you

proper wound assessment techniques. The Hands-On Clinical Lab will add a live, hands-on component to learning that will enhance your retention of skills and techniques covered. Practice identification, measurement and the applications of various products on life-like wound care models. These models provide a life-like simulation to allow for improved assessment of a wide variety of commonly seen wound care presentations, including all stages of pressure ulcers, tissue types, undermining, tunneling, fissure and surgical dehiscence.

Take your understanding of wound care to the next level with this hands-on, interactive clinical lab. Register today – space is limited!

SPEAKER

Heidi H. Cross, MSN, RN, FNP-BC, CWON, is a board-certified Wound and Ostomy Nurse and a board-certified Family Nurse Practitioner in Syracuse, NY. She has extensive experience caring for wound and ostomy patients in acute care, as well as in long term care facilities. Currently, she is employed by CNY Surgical Physicians consulting for nursing homes in the Syracuse area, and has her own independent practice as an expert witness for plaintiff and defense attorneys.

Ms. Cross is a member of the Wound, Ostomy, and Continence Nurses Society, the Association for the Advancement of Wound Care, and the American Nurses Association. She has served on numerous committees related to wound and ostomy care, including as chair of the Wound Ostomy and Continence Nursing Certification Board examination committee, the credential and review committee, and the marketing committee. For the Wound and Ostomy Nurses Society, she is the co-chair of the National Conference Planning Committee ostomy track, has done peer review for the Journal of Wound Ostomy and Continence Nursing (JWOCN), and was the recipient of a grant from the Center for Clinical Investigation Research. She participated in developing the National Pressure Ulcer Advisory Panel's Clinical Practice Guidelines for Prevention and Treatment of Pressure Ulcers in 2014.

Disclosures:

Financial: Heidi Huddleston Cross has an employment relationship with Upstate University Hospital. She receives a speaking honorarium from PESI, Inc.

Non-financial: Heidi Huddleston Cross is a member of the Wound, Ostomy and Continence Nurses (WOCN) Society.

OBJECTIVES

1. Distinguish at least 6 tissue types found in chronic wounds.
2. Identify and differentiate at least 4 wound etiologies.
3. Compare and contrast 6 terms used to document peri-wound status.
4. Demonstrate accurate measurement and documentation of wounds, tunneling and undermining, according to the clock method, using a wound teaching model.
5. Identify and categorize at least 7 dressing types, including the indications for use, precautions and contraindications.
6. Develop an appropriate dressing/treatment protocol for a wound, based upon exudate, wound status, and products discussed.

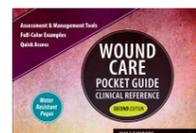

Seminar on DVD or CD Package: You can purchase a self-study package on the subject. You will receive a set of CDs or DVDs that include a digital copy of the seminar manual and post-test/evaluation. You and your colleagues can receive CE hours for a nominal fee. To determine if homestudy credits are available for your profession go to www.pesihealthcare.com or call 800-844-8260. Check with your licensing board to verify acceptance of self-study credits for license renewal. Order today by using the order form on this brochure or by calling 800-844-8260.

Cancellation Policy: If you contact us before the event date, you can exchange for a DVD or CD/digital manual package on the subject (self-study continuing education credit may be available), a certificate to attend another seminar, or receive a tuition refund less a \$30 cancel fee. Substitutions are permitted at any time.

Quick Reference to Wound Care: Palliative, Home, and Clinical Practices, Fourth Edition

By Pamela Brown, BSN, MEd, CWCN, COCN

This reference book provides healthcare professionals with the essentials necessary to deliver the best wound care in a cost-effective manner. Updated to reflect current

wound care treatments and products, it includes wound assessment, the healing process, the basics of wound management, topical treatments, and management of the major wound types.

PESI Inc. is proud to offer this seminar (at these locations only) *free* of charge (on live seminar tuition) for veterans and active duty military personnel. **Limited seats available; advance online registration required.**

Live Seminar Continuing Education Credit Information

Credits listed below are for full attendance at the live event only. After attendance has been verified, pre-registered attendees will receive an email from PESI Customer Service with the subject line, "Evaluation and Certificate" within one week. This email will contain a link to complete the seminar evaluation and allow attendees to print, email or download a certificate of completion if in full attendance. For those in partial attendance (arrived late or left early), a letter of attendance is available through that link and an adjusted certificate of completion reflecting partial credit will be issued within 30 days (if your board allows). Please see "LIVE SEMINAR SCHEDULE" on this brochure for full attendance start and end times. NOTE: Boards do not allow credit for breaks or lunch.

If your profession is not listed, please contact your licensing board to determine your continuing education requirements and check for reciprocal approval. For other credit inquiries not specified below, or questions on home study credit availability, please contact cespi@pesi.com or 800-844-8260 before the event.

Materials that are included in this course may include interventions and modalities that are beyond the authorized practice of mental health professionals. As a licensed professional, you are responsible for reviewing the scope of practice, including activities that are defined in law as beyond the boundaries of practice in accordance with and in compliance with your profession's standards.

PESI, Inc. offers continuing education programs and products under the brand names PESI, PESI Healthcare, PESI Rehab and Psychotherapy Networker.

NURSES/NURSE PRACTITIONER/CLINICAL NURSE SPECIALISTS: PESI, Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Nurses in full attendance will earn 6.3 contact hours. Partial contact hours will be awarded for partial attendance.

NURSING HOME ADMINISTRATORS: This educational offering has been reviewed by the National Continuing Education Review Service (NCERS) of the National Association of Long Term Care Administrator Boards (NAB) and approved for 6.25 clock hours and 6.25 participant hours. Full attendance is required; no partial credits will be offered for partial attendance.

OCCUPATIONAL THERAPISTS & OCCUPATIONAL THERAPY ASSISTANTS: PESI, Inc. is an AOTA Approved Provider of continuing education.

Provider #: 3322. Full attendance at this course qualifies for 6.0 contact hours or .6 CEUs in the Category of Domain of OT and Occupational Therapy Process. Partial credit will be issued for partial attendance. The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA. Course Level: Intermediate.

PHYSICAL THERAPISTS & PHYSICAL THERAPIST ASSISTANTS: This activity consists of 6.25 clock hours of instruction that is applicable for physical therapists. CE requirements for physical therapists vary per state/jurisdiction. Please retain the certificate of completion that you receive and use as proof of completion when required.

NEW YORK PHYSICAL THERAPISTS & PHYSICAL THERAPIST ASSISTANTS: PESI, Inc. is recognized by the New York State Education Department, State Board for Physical Therapy as an approved provider for physical therapy and physical therapy assistant continuing education. This course qualifies for 7.6 Contact Hours.

PENNSYLVANIA PHYSICAL THERAPISTS AND ASSISTANTS: The Pennsylvania State Board of Physical Therapy recognizes approval by all other state boards. This activity consists of 6.25 clock hours of instruction that is applicable for physical therapists.

PHYSICIAN ASSISTANTS: AAPA accepts certificates of participation for educational activities certified for AMA PRA Category 1™ from organizations accredited by ACCME such as PESI. Physician assistants may receive a maximum of 6.0 hours of Category 1 credit for completing this program.

OTHER PROFESSIONS: This activity qualifies for 380 minutes of instructional content as required by many national, state and local licensing boards and professional organizations. Save your course outline and certificate of completion, and contact your own board or organization for specific requirements.
