

2-DAY

Medical Screening and Differential Diagnosis

INTENSIVE TRAINING COURSE

Your caseload is rapidly expanding as more patients skip the physician and go the direct access route.

But so is your liability, and the risk for your patients -- unless you're up to speed on medical screening and differential diagnosis. From meningitis to cardiovascular disease, many medical pathologies mimic musculoskeletal conditions, and in a busy clinical setting, they're easy to miss without consistent, accurate screening and sound clinical reasoning.

Join your fellow clinicians at this upcoming seminar, and learn a step-by-step medical screening model that helps you protect your patients and your practice. Upgrade your diagnostic accuracy and clinical reasoning skills as you review a series of interactive case studies, paying special attention to past medical history, risk factor assessment, clinical presentation, and associated signs and symptoms.

By the end of the course, you'll be able to easily identify the signs of sinister medical pathologies and confidently determine when to refer patients for medical care.

So sign up today, become the go-to resource in your facility for medical screening, and build referrals as the therapist physicians trust.

Live Class & Webcast Schedule (each day)

(Times listed in Pacific)

7:30 Registration/Morning Coffee & Tea

8:00 Program begins

11:50-1:00 Lunch (on your own)

4:00 Program ends

There will be two 15-min breaks (mid-morning & mid-afternoon).

Actual lunch and break start times are at the discretion of the speaker.

A more detailed schedule is available upon request.

PESI Inc. is proud to offer this seminar (at these locations only) free of charge (on live seminar tuition) for veterans and active duty military personnel. **Limited seats available; advance online registration required.**

Seminar on DVD Package: You can purchase a self-study package on the subject. You will receive a set of DVDs that include a digital copy of the seminar manual and post-test/evaluation. You and your colleagues can receive CE hours for a nominal fee. To determine if homestudy credits are available for your profession go to www.pesirehab.com or call 800-844-8260. Check with your licensing board to verify acceptance of self-study credits for license renewal. Order today by using the order form on this brochure or by calling 800-844-8260.

Objectives

1. Identify critical anatomy as it relates to pathology.
2. Review best practices for medical screening.
3. Discuss interview questions every clinician should ask.
4. Recognize and synthesize symptoms that are concerning for medical pathology.
5. Become familiar with various symptom clusters that could warrant referral.
6. Utilize medical screening and differential diagnosis to guide a review of systems for your patients.
7. Identify sinister medical pathology that oftentimes mimic neurological and musculoskeletal conditions.
8. Identify hidden yellow flags to screen for depression.
9. Develop and demonstrate clinical-decision making skills to guide hands-on assessment and intervention.
10. Understand the difference between inductive and deductive reasoning while incorporating a bottom-up or top-down approach to patient care.
11. Discuss strategies to assimilate information contained within clinical practice guidelines (CPG's) and clinical prediction rules (CPR's) and incorporate into your clinical decision-making and problem-solving.
12. Apply the medical screening model discussed in this seminar to a series of interactive case scenarios.

Speaker

SHAUN GOULBOURNE, DHSc, PT, MTC, OCS, SCS, STC, CSCS, NSCA-PT, CDEII, is an expert in sports rehabilitation with over 20 years of experience guiding athletes to peak performance. His practice includes on- and off-site treatment of athletes, and he has extensive history playing and coaching competitive sports. Formerly an international basketball player, he serves as a coach with the Olympic Development Program for the United States Soccer Federation. In his spare time, he competes in marathons and full ironman events.

Dr. Goulbourne earned his Doctorate in health science with emphasis in orthopedics and sports medicine from the University of St. Augustine, and he holds numerous certifications in manual and sports therapy. He is a Sports Certified Specialist and Orthopedic Certified Specialist through the American Board of Physical Therapy, is an osteopractor through the American Spinal Manipulation Institute, and a Certified Strength and Conditioning Coach and Personal Trainer with the NSCA.

Speaker Disclosures:

Financial: Shaun Goulbourne has an employment relationship with Intrepid USA. He receives a speaking honorarium from PESI, Inc.

Non-financial: Shaun Goulbourne is a member of the National Strength and Conditioning Association.

Outline

Identify common pathologies by system

- Musculoskeletal
- Integumentary
- Neurological
- Behavioral
- Cardiopulmonary
- Gastrointestinal
- Urogenital
- Hepatic/biliary
- Hematologic

Discover an efficient framework for consistent, accurate medical screening

- Medical history
- Risk factors
- Interview questions
- Clinical presentation and associated symptoms
- Physical exam findings
- Understanding physician-ordered labs and imaging

Signs and symptoms of serious medical pathologies

- Red flags
 - Cardiac
 - Vascular
 - Neurologic
 - Oncologic
- Yellow flags
 - Depression
- Keys to spotting red and yellow flags early

How to differentiate medical pathologies that mimic musculoskeletal conditions

- Topics include (but aren't limited to):
 - Gallbladder disease
 - Liver/kidney disease
 - Lung disease
 - Gynecological conditions

Confidently determine when to treat, refer, or both

- Clear, consistent clinical reasoning -- step by step
- What to do when systemic, orthopedic, and neurologic conditions overlap
- Situations that require a urgent medical referral

Case studies: Put knowledge to practice

- Identify the root cause of impairment
 - Migraine vs. headache
 - Dizziness vs. vertigo
 - Meningitis vs herniated disc
 - Femur/tibia fracture vs. muscle strain/tendinitis
 - Anxiety/panic attack vs cardiovascular/cardiopulmonary disease
 - Peripheral vascular disease vs intermittent claudication
 - Hip flexor strain vs. abdominal infection
 - Abdominal aortic aneurysm vs. umbilical hernia
 - Shoulder/cervical muscle strain vs. hepatitis/cholecystitis

- Bring your own cases to discuss! (please redact patient identifiers)

Neuro Notes: Clinical Pocket Guide

By Claudia Fenderson, PT, ED.D., PCS and Wen Ling, PT, PH.D.

- Wipe-Free History and Assessment Forms
- Organized by Preferred Practice Patterns
- First Tab Cross-References Disorders to Guide Practice Patterns
- Covers Both Pediatric & Adult Content
- Common Neuromuscular Conditions
- Red Flag Alerts

Whatever the practice setting—acute care, rehabilitation, outpatient, extended care, or in a school—turn to this handy pocket guide to the neurological examination. Small in size, but not in content, it covers all of the common neuromuscular conditions, disorders, and diseases you might encountered in patients throughout their lifespans. A spiral binding, thumb tabs and nearly 240 illustrations insure you can find just what you're looking for. Waterproof, reusable pages let you record clinical data and then wipe the pages clean with alcohol.

Ortho Notes: Clinical Examination Pocket Guide, 4th Edition

By Dawn Gulick, Ph.D., PT, ATC, CSCS

A Davis's Notes title!

Perfect wherever you are...in class, in clinical, and in practice!

Put the information you need in class, clinical, and practice at your fingertips with this handy, easy-to-use guide. Each joint tab includes the most effective special tests (rated by sensitivity and specificity), medical screening, imaging, mechanism of injury, ROM, strength and functional deficits.

Live Webcast Details and Live Webcast Continuing Education Credit Information

Join us on December 9 & 10, 2019, for this live, interactive webcast! Invite your entire office and, like a live seminar, "attend" the webcast at its scheduled time. It's easy and convenient! Webcasts provide everything you need for a premier educational experience including real-time video and audio of the speaker. See and hear the speaker, ask questions via email and have them answered during the webcast, and watch the slides all on your computer screen. Seminar materials are available for download. One CE Certificate is included. Certificates of Completion can be printed after completing and passing the on-line post-test evaluation. Additional certificates are available for \$79.99 USD per participant. Please see "live seminar schedule" for full attendance start and end times. NOTE: Boards do not allow credit for breaks or lunch. For CE information for the live webcast, please visit: www.pesirehab.com/webcast/74475

Target Audience

Physical Therapists • Physical Therapist Assistants • Occupational Therapists • Occupational Therapy Assistants • Athletic Trainers • Strength and Conditioning Specialists • Exercise Physiologists
Nurses • Nurse Practitioners

If you contact us before the event date, you can exchange for a DVD package on the subject (self-study continuing education credit may be available), a certificate to attend another seminar, or receive a tuition refund less a \$60 cancel fee. Substitutions are permitted at any time.

ADA NEEDS

We would be happy to accommodate your ADA needs; please call at least two weeks prior to the seminar date.

WALK-INS

Walk-ins are welcome but admission cannot be guaranteed. Call M-F 7:00-6:00 Central Time for space availability if registering within one week of seminar.

TUITION OPTIONS

• **FREE Military Tuition:** PESI Inc. is proud to offer this seminar (at these locations only) free of charge (on live seminar tuition) for veterans and active duty military personnel. *Limited seats available; advance online registration required.*

• **\$60 Tuition:** If you are interested in being our registration coordinator for both days, go to: www.pesirehab.com/coord for availability and job description, or call our Customer Service Dept. at 800-844-8260.

• **Groups of 5 or more:** Call 800-844-8260 for discounts.

• **Discounted Student Rate:** As part of its mission to serve educational needs, PESI, Inc. offers a reduced rate of 50% off standard tuition for students. Enclose a current student schedule with registration form. Go to www.pesirehab.com/students or call 800-844-8260 for details. Advance registration required. Cannot be combined with other discounts.

Live Course Continuing Education Credit Information

Credits listed below are for full attendance at the live event only. After attendance has been verified, pre-registered attendees will receive an email from PESI Customer Service with the subject line, "Evaluation and Certificate" within one week. This email will contain a link to complete the seminar evaluation and allow attendees to print, email or download a certificate of completion if in full attendance. For those in partial attendance (arrived late or left early), a letter of attendance is available through that link and an adjusted certificate of completion reflecting partial credit will be issued within 30 days (if your board allows). Please see "LIVE SEMINAR SCHEDULE" on this brochure for full attendance start and end times. NOTE: Boards do not allow credit for breaks or lunch.

If your profession is not listed, please contact your licensing board to determine your continuing education requirements and check for reciprocal approval. For other credit inquiries not specified below, or questions on home study credit availability, please contact cepesi@pesirehab.com or 800-844-8260 before the event.

Materials that are included in this course may include interventions and modalities that are beyond the authorized practice of mental health professionals. As a licensed professional, you are responsible for reviewing the scope of practice, including activities that are defined in law as beyond the boundaries of practice in accordance with and in compliance with your profession's standards.

PESI, Inc. offers continuing education programs and products under the brand names PESI, PESI Healthcare, PESI Rehab and Psychotherapy Networker.

Athletic Trainers: PESI, Inc. is recognized by the Board of Certification, Inc. to offer continuing education for Certified Athletic Trainers. This program has been approved for a maximum of 12.5 hours of Category A continuing education.

Exercise Physiologists: ASEP members will earn 10.0 CECs for full attendance at this seminar. The ASEP allows members to earn a maximum of 10 CECs in any one 5 year period.

Nurses, Nurse Practitioners, and Clinical Nurse Specialists: PESI, Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Nurses in full attendance will earn 12.6 contact hours. Partial contact hours will be awarded for partial attendance.

California Nurses: PESI, Inc. is a provider approved by the California Board of Registered Nursing, Provider Number 17118 for 12.5 contact hours. Full attendance is required. No partial contact hours will be issued for partial attendance.

Occupational Therapists & Occupational Therapy Assistants: PESI, Inc. is an AOTA Approved Provider of continuing education. Provider #: 3322. Full attendance at this course qualifies for 12.5 contact hours or 1.25 CEUs in the Category of Domain of OT and Occupational Therapy Process. Partial credit will be issued for partial attendance. The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA. Course Level: Intermediate.

Physical Therapists & Physical Therapist Assistants: This activity consists of 12.5 clock hours of instruction that is applicable for physical therapists. CE requirements for physical therapists vary per state/jurisdiction. Please retain the certificate of completion that you receive and use as proof of completion when required.

California Physical Therapists & Physical Therapist Assistants: PESI, Inc. is recognized by the Physical Therapy Board of California as an approval agency to approve providers. This lecture qualifies for 12.5 continuing competency hours.

Other Professions: This activity qualifies for 760 minutes of instructional content as required by many national, state and local licensing boards and professional organizations. Save your course outline and certificate of completion, and contact your own board or organization for specific requirements.
