

OUTLINE

Neurocognitive Disorders, Dementia and Cognitive Impairment

DSM-5™ changes and terminology
Aging and neurodegeneration
New research related to pathophysiology, diagnosis, risk factors and prevention

Differentiate Neurodegenerative Disorders

Alzheimer's disease
Vascular disease
Frontotemporal disorder
Lewy body disease
Traumatic Brain Injury

Update on Delirium

Acute or persistent delirium
Screening and diagnosis
Prevent life threatening consequences
Evidence-based medications and treatment
Long term consequences

Diagnosis of Neurocognitive Disorders/Dementias

Reversible dementia-like disorders and conditions
Validated cognitive screening tools
New diagnostic criteria and stages of dementia
Family response to diagnosis

Pharmacologic Therapies for Neurocognitive Disorders/Dementias

Cholinesterase inhibitors
NMDA receptor antagonists
Antidepressants
Antipsychotics and other psychotropic drugs
Evaluate new drugs and learn medications to avoid
Consider risk, side effects, and efficacy for older adults

Behavioral and Psychological Symptoms of Dementia (BPSD)

Vast majority of patients with one or more BPSD
Serious negative consequences of untreated behaviors

Tools to systematically assess the presence and severity of symptoms
Investigation of multiple contributing factors
Interdisciplinary creation and evaluation of a treatment plan

Interventions for Common Distressing Behaviors

Agitation, anxiety and restlessness that lead to emotional distress and disability
Apathy that contributes to poor prognosis and increased mortality
Sexually inappropriate behaviors – one of the most distressing behaviors
Frustration of changing behaviors over time

Best Practice for Unique Challenges

Eliminate pain-inducing factors to diminish behaviors
Nutrition and hydration challenges with disease progression
Sleep disorders and evidence-based management

Depression and effective therapy
Psychotic symptoms:
Nonpharmacological and pharmacological interventions

Ethical Issues

Safety, function and autonomy
Comfort and dignity
Advance care planning
Palliative care and hospice
Genetic testing
Disclosure of diagnosis

Patient/Family Needs Across the Disease Trajectory

Professional and family caregivers
Community Resources

Case Studies and Clinical Stories

Target Audience:

Nurses, Nurse Practitioners, Physician Assistants, PTs and PTAs, OTs and OTAs. SLPs, Social Workers, Nursing Home Administrators, Mental Health Professionals from Hospitals, Skilled Nursing Facilities, Clinics, Assisted Living Facilities . . . Anyone desiring next-level skills to proactively assess and intervene for patients with neurocognitive disorders!

Live Seminar & Webcast Schedule (both days) (Times Listed in Pacific)

7:30 Registration/Morning Coffee & Tea
8:00 Program begins
11:50-1:00 Lunch (*on your own*)
4:00 Program ends

There will be two 15-min breaks (mid-morning & mid-afternoon).
Actual lunch and break start times are at the discretion of the speaker.
A more detailed schedule is available upon request.

For locations and maps, go to www.pesihealthcare.com, find your event, and click on the seminar title.

2-DAY CERTIFICATE COURSE IN ALZHEIMER'S DISEASE AND OTHER NEUROCOGNITIVE DISORDERS

Update on Risks, Treatment and Evidence-Based Management of Complex Issues

Alzheimer's disease and other neurocognitive disorders are disabling health conditions that create daunting challenges to patients, families and clinicians. Are you prepared to manage and anticipate the complex patient needs that emerge when caring for these patients? **Have there been times in the past that you wished you had done more...?**

Catherine Wollman, DNP, CRNP, GNP-BC, will provide the very latest research about who's at risk, what's at stake, and what we can realistically do to manage the impact of neurocognitive disorders. Knowledge and evidence in dementia care are constantly changing. We will focus on the newest science, but also the use of ingenuity and compassion to address the multiple problems facing patients and families. Unique clinical challenges will be reviewed using personal stories and case studies to decide the best pharmacological and non-pharmacological interventions to transform your own practice.

Alzheimer's disease and other neurocognitive disorders will touch almost all of us personally or professionally. **During this intense course, Catherine will provide you with new clinical insights and critical thinking skills so that you won't need to feel uncertain, frustrated or at risk anymore!**

SPEAKER BIO

M. Catherine Wollman, DNP, CRNP, GNP-BC, has been a gerontological nurse practitioner for over 30 years, caring for older adults in acute care, long-term care and home care. Catherine currently provides geriatric consultation services. Her expertise is often sought for the care of particularly challenging dementia cases. She worked as the director of senior health for a large hospital system offering a full spectrum of services, including comprehensive interdisciplinary dementia care. Catherine has travelled the country, offering her clinical expertise through various trainings to experienced healthcare audiences. Additionally, she has published articles and book chapters about relevant issues affecting older adults.

Speaker Disclosures:

Financial: M. Catherine Wollman is a visiting professor with Chamberlain College of Nursing. She receives a speaking honorarium from PESI, Inc.

Non-financial: M. Catherine Wollman is a member of the Gerontological Advanced Practice Nurses Association.

PESI Inc. is proud to offer this seminar (at these locations only) free of charge (on live seminar tuition) for veterans and active duty military personnel. *Limited seats available; advance online registration required.*

OBJECTIVES

1. Differentiate cognitive impairment, dementias, neurocognitive disorders and their unique symptoms and trajectories.
2. Review new DSM5™ changes and updated research on neurocognitive disorders.
3. Evaluate the current status of dementia research, including new risks, causes and prevention of Alzheimer's disease.
4. Summarize screening tools and diagnostic methods for neurocognitive disorders.
5. Recognize the impact of neurocognitive disorders/ dementias on the individual, family, caregivers and healthcare providers.
6. Develop a comprehensive interdisciplinary plan of care for the patient and family with neurocognitive disorders/ dementias.
7. Synthesize evidence-based interventions for behavioral and psychological symptoms of dementia.
8. Discuss pharmacologic therapy for neurocognitive disorders/ dementias, delirium and depression.
9. Summarize clinical updates on delirium from prevention and early recognition to effective management.
10. Examine ethical issues related to neurocognitive disorders including capacity, safety, diagnosis disclosure, palliative and end of life care.
11. Improve quality of life and outcomes of care for patients and families with neurocognitive disorders/ dementias.
12. Analyze case studies of complex patients with neurocognitive disorders/ dementias.

Live Webcast Details and Live Webcast Continuing Education Credit Information

Join us on December 9 & 10, 2019, for this live, interactive webcast! Invite your entire office and, like a live seminar, "attend" the webcast at its scheduled time. It's easy and convenient! Webcasts provide everything you need for a premier educational experience including real-time video and audio of the speaker. See and hear the speaker, ask questions via email and have them answered during the webcast, and watch the slides all on your computer screen. Seminar materials are available for download. One CE Certificate is included. Certificates of Completion can be printed after completing and passing the on-line post-test evaluation. Additional certificates are available for \$79.99 USD per participant. Please see "live seminar schedule" for full attendance start and end times. NOTE: Boards do not allow credit for breaks or lunch. For CE information for the live webcast, please visit: www.pesihc.com/webcast/75721

Seminar on CD or DVD Package: You can purchase a self-study package on the subject. You will receive a set of CDs or DVDs that include a digital copy of the seminar manual and post-test/evaluation. You and your colleagues can receive CE hours for a nominal fee. To determine if homestudy credits are available for your profession go to www.pesihealthcare.com or call 800-844-8260. Check with your licensing board to verify acceptance of self-study credits for license renewal.

Cancellation Policy: If you contact us before the event date, you can exchange for a DVD or CD/ digital manual package on the subject (self-study continuing education credit may be available), a certificate to attend another seminar, or receive a tuition refund less a \$60 cancel fee. Substitutions are permitted at any time.

Psychopharmacology

Straight Talk on Mental Health Medications - Third Edition

By Joseph F. Wegmann, Pharm.D., LCSW

A definitive guide to expand your knowledge in the pharmacological and behavioral treatment of psychosis, anxiety, depression, bipolar, insomnia and ADHD. Updates for the third edition include DSM-5® applications, newly released psychiatric meds, new risk factors with antidepressants, and the latest in geriatric psychopharmacology.

Reflect

Awaken to the Wisdom of the Here and Now

By Donald Altman, M.A., LPC

If you feel like you've been stuck repeating the same problems over and over or lost in endless distraction, don't worry. That may just be a signal that it's time for you to embark on an exciting new path of self-evolution. Reflect taps into your unique human capacity for accessing meaning, presence and wisdom in 108 inspiring, affirming, and illuminating reflections. You'll journal, reflect, and practice, to discover the wonder and stillness of presence that exist for you, not tomorrow, but in this next awakening moment.

Live Seminar Continuing Education Credit Information

Credits listed below are for full attendance at the live event only. After attendance has been verified, pre-registered attendees will receive an email from PESI Customer Service with the subject line, "Evaluation and Certificate" within one week. This email will contain a link to complete the seminar evaluation and allow attendees to print, email or download a certificate of completion if in full attendance. For those in partial attendance (arrived late or left early), a letter of attendance is available through that link and an adjusted certificate of completion reflecting partial credit will be issued within 30 days (if your board allows). Please see "LIVE SEMINAR SCHEDULE" on this brochure for full attendance start and end times. NOTE: Boards do not allow credit for breaks or lunch.

If your profession is not listed, please contact your licensing board to determine your continuing education requirements and check for reciprocal approval. For other credit inquiries not specified below, or questions on home study credit availability, please contact ces@pesi.com or 800-844-8260 before the event.

Materials that are included in this course may include interventions and modalities that are beyond the authorized practice of healthcare professionals. As a licensed professional, you are responsible for reviewing the scope of practice, including activities that are defined in law as beyond the boundaries of practice in accordance with and in compliance with your profession's standards.

PESI, Inc. offers continuing education programs and products under the brand names PESI, PESI Healthcare, PESI Rehab and Psychotherapy Networker.

Nurses, Nurse Practitioners, and Clinical Nurse Specialists: PESI, Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Nurses in full attendance will earn 12.6 contact hours. Partial contact hours will be awarded for partial attendance.

California Nurses: PESI, Inc. is a provider approved by the California Board of Registered Nursing, Provider Number 17118 for 12.5 contact hours. Full attendance is required. No partial contact hours will be issued for partial attendance.

Pharmacology Nurse Practitioners: This program offers 120 instructional minutes of pharmacology content which is designed to qualify for 2.0 contact hours toward your pharmacology requirement to receive credit. It is your responsibility to submit your certificate of successful completion and a copy of the seminar brochure to your licensing board.

Nursing Home Administrators: This program has been submitted (but not yet approved) for 12.5 continuing education clock hours and 12.5 participant hours from NAB/NCERS. For the most up-to-date credit information, please go to: www.pesi.com/events/detail/74439.

Occupational Therapists & Occupational Therapy Assistants: PESI, Inc. is an AOTA Approved Provider of continuing education.

Provider #: 3322. Full attendance at this course qualifies for 12.5 contact hours or 1.25 CEUs in the Category of Domain of OT and Occupational Therapy Process. Partial credit will be issued for partial attendance. The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA. Course Level: Intermediate.

Physical Therapists & Physical Therapist Assistants: This activity consists of 12.5 clock hours of instruction that is applicable for physical therapists. CE requirements for physical therapists vary per state/jurisdiction. Please retain the certificate of completion that you receive and use as proof of completion when required.

California Physical Therapists & Physical Therapist Assistants: PESI, Inc. is recognized by the Physical Therapy Board of California as an approval agency to approve providers. This lecture qualifies for 12.5 continuing competency hours.

Physician Assistants: AAPA accepts certificates of participation for educational activities certified for AMA PRA Category 1™ from organizations accredited by ACCME such as PESI. Physician assistants may receive a maximum of 12.5 hours for completing this program.

PESI, Inc. is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. PESI, Inc. designates this live activity for a maximum of 12.5 AMA PRA Category 1 Credit(s)™.

PESI, Inc. is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. See course information for number of ASHA CEUs, instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

Speech-Language Pathologists: This course is offered for 1.25 ASHA CEUs (Intermediate level, Professional area).

Speech-Language Pathologists Only: To be reported to ASHA, while completing the online post-test/evaluation, please answer YES to the question: "Are you a Speech-Language Pathologist and/or Audiologist requesting to have your credit hours reported to the ASHA CE Registry to earn ASHA CEUs?" while completing the online post-test/evaluation, please send an email to ces@pesi.com with the following information: full title of the activity, speaker name, date of live activity, date you completed the post-test, and your name and your license number. If you did answer yes, you do not need to do anything further.

Social Workers: PESI, Inc., #1062, is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved as ACE providers. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. PESI, Inc. maintains responsibility for this course. ACE provider approval period: January 27, 2017 - January 27, 2020. Social Workers completing this course receive 12.5 Clinical Practice continuing education credits. Course Level: Intermediate. Full attendance is required; no partial credits will be offered for partial attendance. A certificate of attendance will be awarded at the end of the program to social workers who complete the program evaluation.

California Social Workers: The California Board of Behavioral Sciences accepts CE programs that are approved by other approval agencies, including several that approve PESI and its programs. A full list of approval agencies accepted by the BBS can be found at www.bbs.ca.gov/licenses/cont_ed.html under "Where to find CE Courses." This Intermediate level activity consists of 12.0 clock hours of continuing education instruction.

Other Professions: This activity qualifies for 760 minutes of instructional content as required by many national, state and local licensing boards and professional organizations. Save your course outline and certificate of completion, and contact your own board or organization for specific requirements.
