

2-DAY: 2020 GERIATRIC CONFERENCE

Are you keeping up with the current recommendations and guidelines?

No matter your specialty, you MUST know how to address the unique concerns of the older adults under your care. Geriatrics is a field in and of itself, but many of us haven't had extensive training on the nuances and complexities that make treatment challenging. In this comprehensive program, geriatric expert, Steven Atkinson, PA-C, MS, will guide you through the normal and abnormal changes of the aging mind and body, providing you with the knowledge that will improve the care you provide. Steven is passionate about his work and looks forward to sharing his expertise with you. Leave with practical and insightful tips and tools you can use the next day!

- Identify complications and respond more appropriately
- Confidently and effectively communicate with patients and their families
- Provide safer and more effective care

QUESTIONS? Visit our FAQ page at www.pesihc.com/faq or contact us at www.pesihc.com/info

CONFERENCE SPEAKER

Steven Atkinson, PA-C, MS, is a Board Certified Physician Assistant specializing in Geriatric Internal Medicine. He practices medicine in the greater Minneapolis area. In addition to his private practice, he has been on the faculty at the University of Utah since 1994 and has been involved in medicine for over 30 years.

Steven is the co-founder of Twin Cities Physicians, which serves older adults in nearly all levels of their care. He has presented nationally for over 15 years, primarily speaking about geriatric-related syndromes. Steven is the author of *Geriatric Pharmacology: The Principles of Practice & Clinical Recommendations, Second Edition* (PESI, 2016) and also sits on several boards whose purpose is to elevate the level of care in medicine for the patients they serve. Steven has been described as a "dynamic" educator and one of the most engaging presenters around. Don't miss him!

Disclosures:

Financial: Steven Atkinson is the founder and co-owner of Twin Cities Physicians; and owner of Mindful Geriatrics, LLC. He is an Adjunct Faculty at the University of Utah. Mr. Atkinson receives royalties as an author for PESI Publishing and Media. He receives a speaking honorarium from PESI, Inc.

Non-financial: Steven Atkinson has no relevant non-financial relationship to disclose.

Conference Schedule (both days)

7:30 Registration/Morning Coffee & Tea
8:00 Program begins
11:50-1:00 Lunch (on your own)
5:00 Program ends

There will be two 15-min breaks (mid-morning & mid-afternoon). Actual lunch and break start times are at the discretion of the speaker. A more detailed schedule is available upon request.

For locations and maps, go to www.pesihealthcare.com find your event, and click on the seminar title.

Seminar on DVD or Digital Format

You can purchase a self-study package on the subject and you and your colleagues can receive CE hours for a nominal fee. To determine if homestudy credits are available for your profession go to www.pesihealthcare.com or call 800-844-8260. Check with your licensing board to verify acceptance of self-study credits for license renewal. If purchasing the digital format, you will receive an emailed order confirmation which contains your login instructions to access the recorded seminar, electronic handouts and online post-test. Order today by using the order form on this brochure or by calling 800-844-8260.

Hassle-Free Cancellation Policy

If you contact us before the event date, you can exchange for a self-study package on the subject (CE credits may be available), a certificate to attend another seminar, or receive a tuition refund less a \$60 cancel fee. Substitutions are permitted at any time.

HAVE A SEMINAR IDEA?

The nation's top speakers and authors contact PESI HealthCare first. If you are interested in becoming a speaker, or have a new topic idea, please contact Missy Cork at mcork@pesi.com or call (715) 855-6366.

OUTLINE

DAY ONE

SESSION 1: Differentiating Dementias

8:00am - 11:00am

Distinguishing the various types of dementia is often difficult. This session provides tools to appropriately screen patients experiencing dementia, along with discussion of the most effective interventions to improve the care you provide.

- Normal vs. Abnormal Aging
- Types of Dementias
- Alzheimer's Disease
- Parkinson's Disease Dementia
- Substance-Induced Neurocognitive Disorder
- Pharmacological Management

OBJECTIVES

1. Identify the signs and symptoms of Alzheimer's disease and other dementias.
2. List appropriate diagnostic tests to achieve accurate diagnosis.
3. Devise interventions that are effective and promote positive communication between staff, family & the older adult.

SESSION 2: Geriatric Pharmacology: Tools for the Healthcare Professional

11:00am - 3:00pm (Includes Lunch Break)

For geriatric patients taking more than five medications, the statistical chance of a drug-drug interaction or adverse event is 100%! For those experiencing an adverse drug event, one third will require additional treatment. This session will provide straightforward tools that will help you care for older adults receiving multiple medications.

- Drug Utilization Amongst the Elderly
- Billing Codes That You MUST Know
- Clinical Pharmacological Issues in the Elderly

OBJECTIVES

1. Apply techniques and identify strategies to avoid adverse drug events and drug disease interactions.
2. Develop individualized monitoring plans for geriatric patients through the evaluation of high risk medications.
3. Identify at least three new guideline recommendations related to geriatric pharmacology.

SESSION 3: Pain Management in the Elderly

3:00pm - 5:00pm

This presentation will review the different categories of controlled substances and their appropriate use in the geriatric patient. Explore special considerations and tools to aid in prescribing and managing pain in the geriatric patient.

- The Challenges Associated with Controlled Substances
- Pain Control... Is every patient's RIGHT

OBJECTIVES

1. Implement controlled substance/pain management contracts into practice.
2. Recognize symptoms of controlled substance and alcohol misuse and abuse.
3. Describe best practice methods for prescribing in the geriatric population.

DAY TWO

SESSION 1: Managing Geriatric Behaviors: Wandering, Aggression, Malnutrition and More

8:00am - 11:00am

Behaviors such as wandering, aggression and anxiety can pose significant barriers to the delivery of essential care. Geriatric syndromes such as malnutrition, dehydration and insomnia can diminish quality of life and threaten independence. This session will explore the most frequent problematic behaviors and discuss strategies to improve the care you provide to your geriatric patients.

- Wandering
- Physical Aggression
- Inappropriate Sexual Behaviors
- Eating Issues & Nutrition in Elders with Dementia
- Sleepless Nights & Sundowning
- Professional Issues

OBJECTIVES

1. Review strategies to diminish the occurrence of behavioral problems in individuals with dementia.
2. Discuss behavioral and environmental techniques to diminish challenging behavioral problems.
3. Identify how cognitive impairment in older individuals is affected by environment, caregiver schedules, and responses to the behaviors.

SESSION 2: Geriatric Emergencies

11:00am - 3:00pm (Includes Lunch Break)

A high-energy, dynamic session filled with interesting case studies, insightful discussions and interactive learning. You will leave with practical techniques that you can apply right away – if you work with geriatric patients, you don't want to miss this!

- Physiological Changes with Aging
- Common Underlying Chronic Illness
- Cardiovascular Emergencies
- Pulmonary Emergencies
- Cerebrovascular Emergencies
- Orthopedic Emergencies
- Abdominal Emergencies

OBJECTIVES

1. Develop strategies to identify abuse and neglect.
2. Distinguish etiologic and pathologic factors associated with neurological, orthopedic, abdominal, cardiovascular & pulmonary emergencies.
3. Discuss the atypical presentation of the elderly and how to effectively manage comorbidities.

SESSION 3: Top Ten Medications to Avoid in the Geriatric Patient

3:00pm - 5:00pm

Explore medication dosing guidelines and polypharmacy management principles to ensure safe prescribing in the geriatric patient. Review the top ten medications to avoid and alternatives that can be equally effective.

- The BEERS List
- Risks Associated with Anticholinergic Drugs
- The TOP TEN
- 5 Things Patients & Physicians Should Question

OBJECTIVES

1. Discuss how to apply age-sensitive principles for medication dosing and management to clinical scenarios.
2. List key questions useful for identifying and managing polypharmacy in older adults.

*SAVE by including these products with your conference registration!

Keeping Love Alive as Memories Fade

The 5 Love Languages and the Alzheimer's Journey

By Gary Chapman, Ph.D., Edward G. Shaw, MD, MA and Deborah Barr, MA

This collaborative, groundbreaking work between a healthcare professional, caregiver, and relationship expert will: Provide an overview of the love languages and Alzheimer's disease, correlate the love languages with the developments of the stages of AD, discuss how both the caregiver and care receiver can apply the love languages, address the challenges and stresses of the caregiver journey, offer personal stories and case studies about maintaining emotional intimacy amidst AD.

The Dementia Care-Partner's Workbook

A Guide for Understanding, Education, and Hope

By Edward G. Shaw, MD, MA

The Dementia Care Partner's Workbook includes a foreword by world-renowned dementia educator Teepa Snow, who said, "This resource offers what is so needed in dementia care: a combination of practical, emotional, intellectual, social, and spiritual support for those who have to make the journey. This workbook provides individual family members with greater awareness, knowledge, and skill to improve life, relationships, and care throughout the disease process."

Live Conference Continuing Education Credit Information

Credits listed below are for full attendance at the live event only. After attendance has been verified, pre-registered attendees will receive an email from PESI Customer Service with the subject line, "Evaluation and Certificate" within one week. This email will contain a link to complete the seminar evaluation and allow attendees to print, email or download a certificate of completion if in full attendance. For those in partial attendance (arrived late/left early), a letter of attendance is available through that link and an adjusted certificate of completion reflecting partial credit will be issued within 30 days, if your board allows. Please see "LIVE SEMINAR SCHEDULE" on this brochure for full attendance start and end times. NOTE: Boards do not allow credit for breaks or lunch.

If your profession is not listed, please contact your licensing board to determine your continuing education requirements and check for reciprocal approval. For other credit inquiries not specified below, or questions on home study credit availability, please contact ceship@pesi.com or 800-844-8260 before the event.

Materials that are included in this course may include interventions and modalities that are beyond the authorized practice of mental health professionals. As a licensed professional, you are responsible for reviewing the scope of practice, including activities that are defined in law as beyond the boundaries of practice in accordance with and in compliance with your profession's standards.

PESI, Inc. offers continuing education programs and products under the brand names PESI, PESI Healthcare, PESI Rehab and Psychotherapy Networker.

Nurses, Nurse Practitioners, and Clinical Nurse Specialists: PESI, Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. Nurses in full attendance will earn 14.6 contact hours. Partial contact hours will be awarded for partial attendance.

Pharmacology Nurse Practitioners: This program offers 380 instructional minutes of pharmacology content which is designed to qualify for 6.3 contact hours toward your pharmacology requirement to receive credit. It is your responsibility to submit your certificate of successful completion and a copy of the seminar brochure to your licensing board.

Occupational Therapists & Occupational Therapy Assistants: PESI, Inc. is an AOTA Approved Provider of continuing education. Provider #: 3322. Full attendance at this course qualifies for 14.5 contact hours or 14.5 CEUs in the Category of Domain of OT and Occupational Therapy Process. Partial credit will be issued for partial attendance. The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA. Course Level: Intermediate.

Physical Therapists & Physical Therapist Assistants: This activity consists of 14.5 clock hours of instruction that is applicable for physical therapists. CE requirements for physical therapists vary per state/jurisdiction. Please retain the certificate of completion that you receive and use as proof of completion when required.

New Jersey Physical Therapists & Physical Therapist Assistants: This course has been approved by the New Jersey Board of Physical Therapy Examiners for 14.5 credits. Board Course Number: 1911-170.

New York Physical Therapists & Physical Therapist Assistants: PESI, Inc. is recognized by the New York State Education Department, State Board for Physical Therapy as an approved provider for physical therapy and physical therapy assistant continuing education. This course qualifies for 17.6 Contact Hours.

Physicians: PESI, Inc. is accredited by the Accreditation Council for Continuing Medical Education (ACCMME) to provide continuing medical education for physicians.

PESI, Inc. designates this live activity for a maximum of 14.5 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Physician Assistants: AAPA accepts certificates of participation for educational activities certified for AMA PRA Category 1™ from organizations accredited by ACCME such as PESI. Physician assistants may receive a maximum of 14.5 hours for completing this program.

PESI, Inc. is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. PESI, Inc. designates this live activity for a maximum of 14.5 AMA PRA Category 1 Credit(s)™.

Speech-Language Pathologists: This course is offered for 14.5 ASHA CEUs (Intermediate level, Professional area).

Social Workers: PESI, Inc., #1062, is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program.

Organizations, not individual courses, are approved as ACE providers. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. PESI, Inc. maintains responsibility for this course. ACE provider approval period: January 27, 2017 - January 27, 2020. Social Workers completing this course receive 14.5 Clinical Practice continuing education credits. Course Level: Intermediate. Full attendance is required; no partial credits will be offered for partial attendance. A certificate of attendance will be awarded at the end of the program to social workers who complete the program evaluation.

New Jersey Social Workers: 2-Day: 2020 Geriatric Conference, Course #2270, is approved by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program to be offered by PESI, Inc. as an individual course. Individual courses, not providers, are approved at the course level. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. ACE course approval period: 03/15/2019 - 03/15/2021. Social workers completing this course receive 14.5 Clinical Practice continuing education credits. Full attendance is required; no partial credits will be offered for partial attendance.
